you wish to develop, or want to  
network with other who do?

Register today!

## About The Workshop

We are assisting individuals or organizations who pursue an innovative idea with the potential to solve a community problem. Those who are willing to take on the risk and effort to create positive changes in society through their initiatives. You'll learn about business planning, identifying your customers and measuring your social impact. This workshop will signpost you to potential sources of startup finance and you will come away with a personal action plan.

## Key Benefits & Objectives

- Explore and create innovative ideas that can inspire change
- Working as Your Own Boss
- Creating Jobs and Income Streams
- Easier to raise capital

## Investment Includes

- Key notes from workshop
- Leadership Booklet by international author
- Participant Manual
- Participant Certificate
